

Ethical Business Practices Policy

Sulpetro Inc. commits to conducting business with integrity and honesty in accordance with the highest ethical standards and in full compliance of the law. We are highly focused on producing quality data products. You can trust we are ethically, responsibly sourcing and securing our data.

Anti-bribery

Sulpetro Inc. collects all data in our proprietary database in full compliance with the law using fair, transparent and ethical business practices using established business governance practices.

Fraud

Sulpetro Inc. takes any form of fraud very seriously. We are committed to ensuring compliance with all laws relating to fraud are applied to our business practices and protect our proprietary data from any fraud, deceit or any other improper conduct by conducting our business with honesty, transparency and integrity.

Sanctions

At Sulpetro Inc., we actively encourage our employees to act lawfully, and ensure to the best of their ability to fully comply with all financial, economic and trade sanction laws applied to our global business. This means Sulpetro Inc. will never knowingly export our datasets to a jurisdiction in contravention of a sanction law or engage with any transaction with a person or entity that is owned or controlled by and acting on behalf of persons or entities that are designated under sanction law.

Due Diligence

We invite our stakeholders (employees, contractors, service providers, partners, customers) to report any fraudulent, bribery, corrupt behaviour from any member of our team to Arthur Olson at arthur@navigator.law.

All complaints are held in confidence and managed to support our ongoing effort to ensure our workplace & external relationships are safe from unethical business practices, this includes; any forms of bribery, fraud, corruption, and supply chain risk associated with trade sanctions.

Definitions

1. *“Bribery” means:*

Bribery involves giving, offering, promising any kind of benefit to any person with the intention of improperly influencing the person in order to obtain a business or personal advantage.

2. *“fraud” means:*

Fraudulent activity is any unlawful business activity that is intended to misrepresent and/or improper business conduct. This includes; any activities in connection to money laundering, and/or making false statements and/or claims.

3. *“Trade sanction” means:*

Trade sanction is any jurisdiction designated by law where export and import restrictions apply and any transaction with a person or entity that is or is owned controlled by or acting on behalf of persons or entities that are designated under sanction law is strictly prohibited.
